Safety Instructions:

- Beware of electric shocks if the pump is used improperly.
- Do not operate the pump near sources of ignition or heat.
- Ensure that the product is only used for the intended lubricants.
- Ensure correct handling and installation to avoid leaks.
- Disconnect the pump from the power supply before carrying out any maintenance.
- Do not use in closed rooms without adequate ventilation.
- When using a foot valve, make sure that the valve is checked regularly for proper functioning.
