Safety Instructions:

- Before use, ensure that the hose is not damaged to prevent leaks.
- Do not use under pressure of more than 15 bar.
- Ensure that the hose reel is installed and secured in a stable and safe area to prevent it from tipping over or falling.
- Only use for the intended use indoors, away from environments that could pose a risk due to weather influences.
- Protect the product from direct sunlight and extreme temperatures.
- Beware of possible leakage of hazardous substances.
- Not suitable for use by children.
- Do not exceed the maximum pressure of 10 bar.
- Ensure that the hose is laid correctly to avoid tripping hazards.
- Read the operating instructions before use.
- Avoid contact between the hose reel and naked flames or hot surfaces.
