Safety Instructions:

- Before use, carry out a safety check of the maximum pressure limit (60 bar) and observe the high-pressure hazard.
- Use the product only for oil; avoid use with other liquids.
- Ensure correct assembly and use of the articulated arm in accordance with the manufacturer's instructions.
- Handle the product with care, as incorrect operation can lead to leaks.
- Before use, ensure that there are no persons in the danger zone of the hose.
- Regular maintenance and inspection of the hose reel to prevent wear and damage.
- The product is not intended for outdoor use.
- Improper use can lead to oil contamination.
- Technical maintenance required to minimise safety risks.
- Use suitable personal protective equipment (PPE) when handling.
- Do not adapt or change during ongoing operating processes.
