Article Numbers: 188928, 188378, 188377

Safety Instructions:

- High voltage hazard: Risk of electric shock in the event of improper handling or damage.
- Risk of tipping: The floor lamp can tip over if it is not stable enough, especially on uneven surfaces.
- Choking hazard: Small parts can be dangerous for children, especially under the age of 3, if handled incorrectly.
- Heat development: Prolonged operation can lead to overheating, so do not cover the light and be careful with very hot operation.
- Replacing the bulb: This should only be carried out by qualified personnel to avoid injury.
- Note on proper installation according to the instructions provided.
- Take care when using near water sources or damp environments.
- For indoor use only.
- Protection against mechanical loads to prevent damage.
