Safety Instructions:

- Please note that the light source may only be replaced by qualified personnel or service personnel authorised by the manufacturer.
- The lamp must not be installed near water sources or damp locations to avoid the risk of electric shock.
- Ensure that the light is properly secured to a stable surface to avoid the risk of it falling over.
- Do not use the product with damaged cables or plugs to avoid the risk of electric shock.
- Keep the product away from children as it may contain small parts that pose a choking hazard.
