Safety Instructions:

- Age-resistant paper in accordance with ISO 9706 is suitable for archiving important documents.
- The product should be kept away from children to avoid any risk (e.g. ingestion); it is not suitable for children.
- Keep the paper away from fire, moisture and extreme temperatures to maintain quality.
- Store the paper in a cool, dry place and avoid direct sunlight.
- Use the product only for its intended purpose; it is not suitable for consumption and should not come into contact with food.
- When using in printers, follow the manufacturer's instructions and avoid using in unsuitable devices.
- Dispose of the paper in an environmentally responsible manner in accordance with the relevant guidelines.
- No strongly colouring materials should be used on the paper to avoid discolouration.
