Please note the technical data of the products!

Article Numbers: 171455, 171453, 171450, 171447, 171445, 171442, 171440, 171436, 171432, 171428, 171424, 171420

Safety Instructions:

- Not suitable for children under 3 years; choking hazard due to small parts.
- Protect contents from moisture and store in a cool place to preserve quality.
- Improper use may generate paper dust; may cause respiratory problems.
- Paper does not contain any hazardous substances, but is not flammable; keep away from fire.
- Not suitable for contact with food.
- Remove packaging before use; may contain small parts that pose a choking hazard.
- Use at extreme temperatures or high humidity may impair printing results.
- The paper does not contain any harmful substances and is age-resistant with ISO 9706 certification.
- Use only for intended applications; do not continue to use if damaged.
- Children should be supervised when handling paper to avoid the risk of choking on small parts.
- Dispose of packaging materials and waste in accordance with local regulations.
- Caution: Paper can cause cuts or injuries, so handle with care.
- Paper can overheat in printers; ensure correct device settings.
- Do not use for food packaging; avoid possible risk of confusion.
- Pay attention to recycling and disposal guidelines.
- If in doubt, consult a doctor if you are allergic to paper or chemicals.
