Please note the technical data of the products!

Article Number: 188400

Safety Instructions:

- Risk of suffocation due to improper handling, as the light may have sharp-edged parts.
- Risk of electric shock if the light is used in damp environments.
- Ensure that the light is not used near water sources.
- The luminaire contains non-replaceable LED lamps; they must therefore not be tampered with or replaced.
- The light should not be placed in an area where it could tip over, especially near children's areas.
