Article Numbers: 188410, 188409

Safety Instructions:

- Only use the LED light with a suitable light source recommended by the manufacturer.
- Authorise qualified personnel to replace the light source.
- Do not overload the ceiling light; observe the maximum permissible wattage.
- Ensure that installation is carried out in accordance with the enclosed instructions.
- In the event of damage or defects, disconnect from the mains immediately and discontinue use.
- Before installation, ensure that the power supply is switched off.
- Risk of suffocation due to improper handling of small parts during installation.
- Risk of electric shock due to improper connection or replacement of the light source.
- Only use components included in the scope of delivery and recommended by the manufacturer.
