Safety Instructions:

- Before installation, ensure that the power supply to the device is disconnected.
- The light source may only be replaced by service personnel authorised by the manufacturer or by similarly qualified personnel.
- Do not leave any small parts or materials that could be dangerous for children.
- Flicker-free light offers reduced eye strain, but users should take regular breaks to avoid eye strain.
- The LED pendant light may only be used in dry indoor areas.
- Use in conjunction with external dimmers or controls that are not authorised by the manufacturer can lead to malfunctions.
