Article Numbers: 188368, 188366, 188365, 188364, 188362, 188361, 188360, 188358, 188357

Safety Instructions:

- Keep the product out of reach of children, especially under 3 years of age, due to small parts that can be swallowed and no toy use is intended.
- Avoid excessive loads and ensure that the drawers are inserted correctly to prevent damage and injury.
- Make sure that no sharp objects are placed near or in the drawer box to avoid injury or damage.
- Keep the product away from naked flames, heat sources or direct sunlight to avoid the risk of fire and material damage.
- Do not use the product in damp places or near water as it is not waterproof.
- Regularly check the condition for defects or damage, especially after long periods of non-use, to ensure safe use.
- The box should be set up stably and stacked correctly to prevent it from tipping over.
- Avoid storing chemicals or hazardous substances in the box.
- Safe use requires that the drawers are held before being pulled out.
- Do not use as a seat or for any other purpose not intended.
- Only suitable for adults or use under their supervision if children are in the vicinity.
- Watch out for sharp edges to avoid injury.
- The material should not be exposed to extreme temperatures to prevent material damage.
- Correct installation is important to avoid accidents.
- No parts of the box are suitable for consumption.
- Note material properties - made from 100% recycled polystyrene.
