Safety Instructions:

- Only use the mouse pad on a stable, level surface to prevent it from slipping.
- Keep the gel pad clean to avoid skin irritation.
- Avoid taking long breaks when working to prevent tension.
- In the event of acute pain or discomfort in the wrist, stop using the product and consult a doctor if necessary.
- Not suitable for children under 3 years of age as there is a choking hazard due to small parts.
- Do not use the gel pad improperly to avoid injuries or pressure points on the wrist.
- Do not use the product if there are signs of wear or damage, such as cracks.
- In the event of allergic reactions to gel pad materials, use must be discontinued immediately.
- Avoid excessive pressure on the gel pad to minimise the risk of pressure loss.
- The mouse pad is not suitable for contact with open flames or extreme temperatures.
- Use by children should be supervised to ensure that there is no improper use and possible injury.
