Safety Instructions:

- Warning choking hazard due to small parts such as the USB receiver and batteries; not suitable for children under 3 years, keep batteries away from children.
- Risk of electric shock if used improperly, especially the USB receiver and when used near water or damp locations.
- If the batteries or the mouse overheat, stop use immediately, carry out a battery service or allow the mouse to cool down.
- Only use the recommended batteries to avoid safety risks and dispose of them in an environmentally friendly manner in accordance with local regulations.
- Use the product only for its intended purpose; changes or modifications are prohibited and may result in injury.
- Risk of fatigue during prolonged use, as the ergonomic design may not be optimal for all hand sizes.
- Supervision is required for use with children.
- Regularly check the batteries for leaks or damage.
