Safety Instructions:

- Not suitable for children under 3 years of age as small parts can be swallowed.
- Keep the waste bin away from sources of fire and do not place it near sources of heat to avoid deforming the plastic.
- Only use the waste bin for its intended purpose; suitable for recommended bin liners with a capacity of 35 litres.
- The material of the waste bin could break or deform at extreme temperatures. Avoid filling the waste bin with hot or liquid waste as this could damage the plastic.
- The wastepaper basket is not suitable for storing food.
- Please avoid overloading the waste bin to prevent it from tipping over; the user should ensure that the waste bin is placed in a stable position.
- The wastepaper basket should be placed out of the reach of children to prevent potential hazards. Keep the item out of the reach of children to avoid the risk of suffocation.
- Make sure that the waste bin is emptied and cleaned regularly to avoid hygiene problems and the build-up of unpleasant odours and bacteria.
- Clean before use to remove any residue from production materials.
- Do not cut with sharp or pointed objects as this can damage the material. When using the product, ensure that there are no sharp edges to avoid injury.
- Dispose of the product in accordance with local regulations for recycled plastics.
