Safety Instructions:

- Do not swallow small parts, as the product is not suitable for children under 3 years of age. Ensure that no small parts that could pose a potential choking hazard can be broken off.
- Avoid using near open flames or extreme heat, as plastic is flammable.
- The product is designed for the intended use in offices. Avoid using it as a toy.
- The product consists of 80% post-consumer waste and should be disposed of according to local recycling guidelines. Dispose of the product in accordance with local regulations for recycled plastics.
- Suitable for adult use only as there are no specific safety precautions for children. It is recommended to keep the product away from children to minimise the risk of improper use.
- Make sure that the shelf is stable, especially when stacked, to prevent it from tipping over.
- Avoid aggressive cleaning agents that could damage the recycled plastic.
- Clear instructions are required for the use of labelling fields.
- The product does not contain any materials containing harmful substances in accordance with the applicable environmental standards.
