Safety Instructions:

- Keep the upright collector away from heat sources to avoid deformation.
- Only use the upright collector for its intended purpose in order to avoid damage.
- Take care to dispose of the product correctly as it is made of recycled plastic.
- Keep the upright collector away from moisture to ensure the integrity of the material.
- If used improperly, the upright collector can break, which can pose a risk of injury.
- Keep the upright collector out of the reach of children to prevent injuries from choking.
- Not suitable for contact with food.
- Keep the packaging to preserve important information.
- Protect the magazine rack from direct sunlight to prevent the colours from fading.
- Avoid storage within the reach of children.
- Not suitable for children under 3 years due to choking hazard from small parts.
- Improper handling can result in sharp edges or fragments.
