Safety Instructions:

- Adjustable backrest can be safely set to the body height to ensure correct posture.
- Do not exceed the maximum load capacity of 120 kg to ensure the safety of the chair.
- Only use on level floors or specially designed carpets to prevent tipping or falling over.
- Ensure that all adjustment mechanisms function correctly before using the chair.
- Do not exceed the recommended sitting time of more than 8 hours to avoid health problems.
- Delivered disassembled, ensure that all parts are correctly assembled to minimise safety risks.
- Do not use the chair in damp environments to avoid material damage.
