Safety Instructions:

- Attention: The drum rack is suitable for the storage of aggressive chemicals and water-polluting liquids, please observe the specific regulations.
- Safe storage: Make sure that the drum rack is on a stable surface to prevent it from tipping over.
- Safety note: Avoid improper loading of the drum to prevent overloading and possible damage.
- Warning: Always wear suitable personal protective equipment (e.g. gloves and safety goggles) when handling hazardous substances.
- Check the drip tray regularly for damage and soiling to ensure that it functions properly.
