Safety Instructions:

- Not suitable for children under 36 months due to choking hazard from small parts. Store small parts safely to avoid choking hazard.
- Do not exceed the maximum load of 140 kg.
- The product must be placed on a stable, level surface to prevent it from tipping over. Only use the cabinet on a level floor.
- Do not overload cupboards; heavy items should be placed on the lower shelves.
- When assembling, dismantle the doors and shelves carefully to avoid injury.
- Avoid contact with water and aggressive chemicals that could damage the surface coating.
- Only use cabinets for their intended purpose.
- Avoid sharp edges on the doors to prevent injuries.
- Enclose instructions for installation and safe use.
