Safety Instructions:

- Do not exceed the maximum load of 100 kg.
- The product should be placed on a stable and level surface to avoid the risk of tipping.
- The manufacturer's instructions must be followed exactly during installation.
- Avoid using the product near water sources or humid environments.
- Keep out of the reach of children to avoid risks.
- Ensure that the shelf is stable and securely fastened to the wall to prevent it from tipping over.
- Avoid storing very heavy or bulky objects on the upper shelves.
- The shelf should be used in accordance with the manufacturer's recommended use.
