Safety Instructions:

- Check the stability of the cabinet to prevent it from tipping over.
- Observe the maximum total load capacity of 100 kg to avoid damage.
- Keep the cabinet doors securely closed to minimise risks when accessing the boxes.
- Only use the recommended cleaning agents to avoid damaging the coating.
- Keep the cabinet away from heat sources and direct sunlight to avoid deformation.
- Before assembly and use, ensure that all parts are correctly installed.
- Keep out of the reach of children to avoid injury.
- Avoid sharp objects in the vicinity of the product to prevent damage.
- Check the product regularly for signs of damage.
