Safety Instructions:

- Only use the bench for its intended purpose to avoid injury.
- The bench is not suitable for children under 3 years of age; use only under adult supervision.
- Observe the maximum load; avoid overloading to prevent structural damage.
- Place the bench on a stable and level surface to prevent it from tipping over.
- Adjust the adjustable floor glides correctly and check their functionality regularly to prevent stability and the risk of falling.
- Regularly check screws, bolts, connections and overall stability and inspect for damage.
- Before use, ensure that there are no loose, damaged or worn parts.
- Caution: Ensure anti-slip protection with floor gliders to avoid the risk of slipping.
- The seat surface should be non-slip to minimise the risk of slipping.
- Do not use harsh detergents or cleaning agents that could damage the coating.
- Ensure protection against UV radiation and corrosion; regular inspections of the coating are necessary.
- Do not use as play equipment and do not place any heavy or unsuitable objects on the bench.
