### Safety Instructions:

- Make sure that the wardrobe bench is placed on a stable and level surface to avoid the risk of tipping. Use adjustable floor glides to level out any unevenness.
- Observe the maximum permissible load to prevent damage or accidents.
- The cloakroom bench should not be overloaded or used for excessive loads to avoid the risk of breakage.
- Children should only use the cloakroom bench under adult supervision. It is not suitable as a play or climbing device.
- Regularly check the stability, strength and adjustable floor glides to minimise safety risks.
- Keep the bench away from moisture, open flames and extreme temperatures to prevent material damage.
- Read the safety and assembly instructions carefully before first use. Ensure that all parts are correctly attached.
- Check for possible damage, loose parts or sharp edges before use.
- The cloakroom bench is not suitable for outdoor use.
- Make sure that no sharp or hot objects can damage the surface.
