### Safety Instructions:

- Ensure that the bench is standing on a stable, level surface to prevent it from tipping over.
- To avoid structural damage, do not overload the bench or place it under more than the maximum load.
- Use of adjustable floor glides to compensate for uneven floors and to ensure stability.
- Check the bench regularly for damage and stability, in particular tighten screws and connections.
- Ensure safe use by observing the installation instructions and correct installation.
- Beware of sharp edges and improper use to avoid injury.
- Suitable for indoor use and not weatherproof; protect from moisture and direct sunlight.
- Not suitable for use by children under 3 years of age to prevent misuse.
- Follow the installation instructions and ensure that there is a secure connection to other benches.
- To avoid injury, do not use the product as a toy or climbing frame.
