Safety Instructions:

- Ensure that the cabinet is stable and secured against falling over.
- Only use the storage boxes and storage fix boxes provided in the intended frame to avoid overloading the shelves.
- When opening the doors, watch your fingers and make sure that the doors are properly closed to avoid crushing.
- Do not store heavy objects on the top shelves to minimise the risk of them falling over.
- Keep the cabinet dry and avoid contact with corrosive materials to prevent corrosion.
- Not suitable for children under 3 years due to small parts.
- Only place the cabinet on a stable, level surface to prevent it from tipping over.
- If you are unsure about installation or use, please contact the manufacturer.
