Safety Instructions:

- The product is only suitable for commercial use.
- Ensure that the maximum total load capacity of 240 kg is not exceeded.
- Make sure that the cabinet is placed on a stable surface and is not overloaded to prevent it from tipping over.
- Use by children should be avoided as this is not a children's product.
- Follow the correct instructions for assembly and use to avoid injury.
- Do not store heavy objects on the top shelves to minimise the risk of them falling over.
- Observe the safety instructions and care instructions on the packaging and in the user manual.
