Safety Instructions:

- Set up the cabinet stably and use it safely to prevent it from tipping over.
- The maximum total load capacity is 240 kg, do not exceed this. Do not overload the shelf.
- Do not store heavy or unstable objects on the upper shelves.
- Ensure that the doors are handled correctly during installation and use to avoid crushing.
- Clean with mild cleaning agents without aggressive chemicals.
- Check the stability of the shelves before use.
- Keep out of the reach of children to avoid the risk of choking on small parts.
- Observe the manufacturer's safety instructions during installation.
