Safety Instructions:

- Mount the wall bracket securely on a stable wall.
- Make sure that the monitor does not weigh more than 8 kg.
- Use the VESA mounting according to the specified dimensions (75 x 75 mm or 100 x 100 mm).
- Make sure that all cables are laid securely to avoid tripping hazards.
- Avoid improper handling of electrically or mechanically moving parts.
- To ensure safe use, users should follow the installation instructions exactly.
- Keep small parts away from children to avoid the risk of choking.
