Safety Instructions:

- Contains small parts that may be a choking hazard for children under 3 years, therefore not suitable for children under 3 years.
- Ensure that the drawer lock is functional to prevent the drawers from falling out.
- Do not overload the drawers to avoid breakage, mechanical damage and overturning and to ensure stability.
- Dispose of materials safely to ensure environmental protection.
- Do not store near heat sources or in direct sunlight.
- Recycled plastic may contain chemical residues, so do not put it in your mouth.
- Take care when lifting heavy loads to avoid injury.
