Article Numbers: 167847, 167846

Safety Instructions:

- Regular renewal of the covers recommended every 2 years to ensure antibacterial effect.
- Use in areas with high hygiene requirements.
- Avoid skin contact to prevent the transmission of bacteria. Avoid direct contact with the surface of the viewing panels, especially in health-critical areas.
- Do not hide any important information or warnings.
- Ensure that installation is carried out in accordance with the enclosed instructions in order to avoid safety risks.
- The panels are made of PVC; make sure that they do not come into direct contact with extreme temperatures or chemicals.
