Article Numbers: 146756, 146755

Safety Instructions:

- Not suitable for use by children under 3 years of age as small parts can be swallowed.
- Ensure that the information stand is placed on a firm and stable base to prevent it from tipping over.
- Only use disinfectants recommended for cleaning to avoid damaging the surface.
- There is a risk of injury if used incorrectly. Observe the operating instructions.
- Avoid using the information stand in damp environments as this could affect the materials.
- Make sure that heavy or large documents are not too heavy for the information stand to prevent them from falling over.
- Keep the information stand away from direct heat sources to avoid damaging the material.
