Safety Instructions:

- Not suitable for use in wet areas. Avoid direct contact with water to ensure the quality of the print and prevent discolouration.
- Not suitable for children under 3 years of age as there is a risk of suffocation from small pieces of paper and the risk of inhaling paper particles.
- Keep the product away from naked flames and hot surfaces to avoid the risk of fire.
- The paper may tear or crease if handled incorrectly. Keep the paper away from sharp objects.
- Paper may contain chemical residues, so check before use, especially in contact with food.
- Do not use for eating or drinking as confusion may occur.
- Improper use can result in paper cuts; caution is advised.
- Be aware of the risk of discolouration when using certain inks. Only use recommended inks to ensure that the print quality is not affected.
- Store the paper in a dry and cool room to prevent damage from moisture. Take care not to overheat the paper, as high temperatures can impair the print quality.
- Provide general instructions for the safe use and disposal of the paper.
