Safety Instructions:

- No specific safety warnings are required as the product does not present any risks to the health or safety of consumers.
- The product should be stored in a dry environment and at room temperature to avoid water or moisture damage.
- When using the product in conjunction with printers, the respective safety instructions of the printer manufacturer must be observed.
- Before using the product, ensure that it is compatible with the printer.
- The product can lead to incorrect printing results if used incorrectly.
- Ensure that the product is kept out of the reach of children.
- When using with inks, follow the manufacturer's instructions to avoid health risks.
- Not suitable for food packaging.
- Vapours or particles that may be generated during the printing process should be used in well ventilated areas.
- Avoid contact with hands and eyes. In case of skin or eye irritation, rinse immediately with water and seek medical advice if necessary.
- Only under adult supervision for educational use.
- Keep the product away from moisture and direct sunlight.
