Safety Instructions:

- Before use, ensure that the surfaces are clean and dry and that the maximum specified adhesive force is taken into account.
- Do not use on load-bearing walls or heavy objects.
- Only use adhesive nails on intended substrates such as wallpaper and plaster.
- Keep the product out of the reach of children to prevent accidental ingestion or injury.
- Do not use at temperatures above 60°C or below -10°C to avoid impairing adhesion.
- Read all instructions and warnings carefully before use.
- Removable without residue, but avoid pulling or tearing to prevent surface damage.
