Article Numbers: 157787, 157785, 157783

Safety Instructions:

- Only use the product on stable and load-bearing surfaces to prevent slipping.
- Only use the product for its intended purpose in order to avoid hazards.
- Ensure that the surface is clean and dry before application to ensure optimum adhesion and safety.
- Keep small children away from the adhesive screws to avoid choking hazard as small parts may be present. Not suitable for children under 3 years of age.
- The adhesive screw is not suitable for applications that require a high load-bearing capacity or safety.
- Ensure that the adhesive screw is correctly attached to the surface to prevent it from slipping.
- Avoid use on uneven or porous surfaces without first checking adhesion. Do not use on brittle or uneven surfaces as this may affect durability.
- For safe use, the manufacturer's instructions should be followed.
