Article Numbers: 185690, 185689, 185688, 185687, 185686, 185685

Safety Instructions:

- Not suitable for children under 3 years, choking hazard due to small parts.
- Avoid contact with the eyes, as ink can be irritating.
- In case of skin contact with ink, rinse thoroughly with soap and water.
- Filled with ink; should not be put in the mouth to avoid health risks.
- Avoid contact with skin- and eye-sensitising chemicals.
- Store in a cool, dry place with the lid closed to prevent the mine from drying out.
- Protect from direct sunlight and high temperatures to preserve the colour quality.
- Not suitable for eating; could be a choking hazard for small children.
- Use only for the intended purpose.
- Only for use by adults or under adult supervision.
- Please keep out of the reach of small children.
- Colours are partially document-proof according to ISO 12757-2, please note possible allergies to the ingredients.
- Take care when using on sensitive surfaces; document-proof ink can also be permanent.
- Do not store near fire or extreme temperatures.
