Safety Instructions:

- Not suitable for children under 3 years of age as small parts may be present.
- Ensure that the castors of the chair are not used on uneven surfaces to avoid the risk of falling.
- Do not exceed the maximum load capacity of the chair to avoid injury and damage.
- Avoid excessive turning during use to prevent tipping over.
- Only install and use the product in accordance with the enclosed instructions. Stability may be impaired if the product is not installed correctly.
- Avoid sitting on the shell chair while it is rotating to prevent falls.
- Make sure that the castors are used on a suitable surface to avoid damage.
- The product is not suitable for children, so keep children away from the chair.
- Clean the fabric cover according to the care instructions to extend its service life.
