Safety Instructions:

- Please keep the product away from children, as small parts can be swallowed and is not suitable for children under 3 years of age.
- Carefully read and keep the instructions for use to ensure safe use.
- Take care when closing the clamp to avoid the risk of crushing.
- The edge of the clamp can be sharp; excessive pressure can cause injuries.
- Do not use in the vicinity of liquids to avoid short circuits.
- Do not expose the folder to excessive temperatures or direct sunlight in order to avoid material deformation.
- Protective corners should be checked to prevent mechanical damage and injury.
- Do not use in a damp environment to prevent material changes.
- Avoid contact with sharp objects to prevent damage.
- Make sure that the strong clamping effect does not cause finger injuries.
- Do not use near fire or heat sources to prevent melting.
- Regularly check the condition of the clamp and plastic corners to prevent damage and injury.
- Recommended: Use only by competent persons and under supervision of children.
