Article Numbers: 597021, 597020, 597019, 597018, 597017, 597016

Safety Instructions:

- Only use the product for its intended purpose in order to avoid malfunctions.
- Keep the product away from moisture and water to prevent damage and material deformation.
- The folder should not be exposed to high temperatures or direct sunlight to ensure product quality.
- Keep the product out of the reach of children to avoid the risk of choking on small parts.
- Avoid placing heavy objects or excessive pressure on the folder to prevent damage and mechanical damage.
- Ensure proper handling when inserting and removing documents to prevent damage to the lever mechanism.
- Store the product in a dry state to ensure the structure and functionality of the material.
- Read the enclosed safety instructions and instructions carefully before use to ensure correct and safe handling.
- The product should not be used for play by children as it can be dangerous if misused.
- The use of recycled materials could trigger allergies or intolerances in sensitive people.
