Safety Instructions:

- Not suitable for use by children without supervision; keep out of reach of small children to avoid choking on small parts.
- Avoid loading the box with excessively heavy objects to prevent it from breaking or collapsing. Take care not to overload the box during transport to ensure stability.
- Avoid pulling on the carrying handle beyond the recommended level. Ensure that the carrying handle is maintained when fully loaded to avoid injury.
- Protect the product from moisture and extreme temperatures; keep it away from water sources to avoid damage. Avoid exposure to direct sunlight or high temperatures to prevent deformation.
- Make sure that the lid is closed while you are transporting the box to prevent the contents from falling.
