Safety Instructions:

- Risk of suffocation from staples if handled incorrectly.
- Risk of injury to hands due to improper use of the stapling pliers. Caution: Observe the pinch protection to avoid injuries. Do not press on fingers or other parts of the body.
- Not suitable for children under 3 years of age as small parts can choke and are included.
- Please observe the safety instructions in the operating instructions.
- Excessive pressure can damage the product. Ensure that the stapling pliers are not overloaded.
- Only use the stapling pliers as intended to ensure safety.
- Keep the appliance away from children to prevent improper use.
- Remove packaging before use to minimise the risk of injury to children.
