Safety Instructions:

- Risk of suffocation due to improper use or improper handling of the sweeper.
- Ensure that children do not play with the product to avoid accidents.
- When using the appliance, ensure that loose items of clothing or other objects do not get caught in the rotating brushes.
- Do not use the machine in damp or wet environments to minimise the risk of electric shock.
- Always switch off the power and take the sweeper out of operation before carrying out maintenance work.
