Please note the technical data of the products!

Article Number: 173867

Safety Instructions:

- Ensure that the appliance is operated in a dry environment to minimise the risk of electric shock.
- Only use the USB dongle supplied for the connection to avoid compatibility problems.
- Keep the appliance away from liquids to avoid damage or electrical hazards.
- The product is not suitable for children under 3 years of age as it contains small parts that could pose a choking hazard.
- When using the device, ensure that all participants are at a sufficient distance from loud noise sources to guarantee the quality of the transmission.
