Safety Instructions:

- Not suitable for children under 3 years: Choking hazard due to small parts.
- Only use the product in accordance with the instructions and within the temperature range of -20°C to +80°C to avoid material damage.
- When wall-mounting or stacking, ensure that the base is stable to prevent the appliance from falling over or falling down.
- Caution with improper handling: Risk of injury and damage due to improper use.
- Do not use in direct sunlight or near heat sources to prevent material damage.
- Ensure that all parts are complete and undamaged before use.
- Keep the product out of the reach of small children to avoid the risk of suffocation.
- The transparent hinged boxes are removable and can be stowed away safely.
- When using spare parts, ensure compatibility and do not store items on top of stacked magazines to avoid injury.
- The product is made of polystyrene, avoid contact with chemicals.
- Food safety test recommended.
