Article Numbers: 463851, 463850, 463849, 463848, 463847, 463846

Safety Instructions:

- Handle with care to avoid injury.
- Not suitable for children under 3 years due to choking hazard from small parts.
- Sharp edges can be dangerous if handled incorrectly.
- Material is temperature-resistant, but caution is advised at extreme temperatures (-20 °C to +80 °C). Do not exceed a maximum operating temperature of +80 °C to prevent deformation.
- Keep the container dry to avoid material changes.
- Avoid contact with aggressive chemicals that may cause long-term damage to the material.
- The container may break or crack if subjected to high pressure or improper handling.
- Keep the container away from heat sources to minimise the risk of fire.
- Use only for the intended purpose to avoid safety risks.
- Not suitable for direct contact with food.
- Store safely to avoid breakage or damage.
- Please supervise use by children as misuse and playing with the product can be potentially dangerous.
