Safety Instructions:

- Choking hazard due to small parts.
- Watch out for sharp edges or protruding parts during assembly.
- The product is not suitable for children under 3 years of age.
- There is a risk of injury due to improper handling or installation.
- Only use the product for its intended purpose.
- Observe safety precautions for use in the vicinity of children.
- Risk assessment and regular review of storage conditions.
- Follow the instructions for safe use and disposal of the product.
- Before wall mounting, ensure that the fixings are stable and suitable for the weight.
- To avoid material damage, do not overheat the hinged boxes or use them in extreme temperatures.
- Take care not to overload the hinged boxes with heavy objects to prevent them from tipping over.
- The instructions for installation and use must be followed to ensure safe use.
- Regularly check the stability of the shelving system and the fastening elements.
- Avoid contact with liquids to prevent damage to the polystyrene.
- Only use the hinged boxes in the temperature range from -20 °C to +80 °C.
- Safety information and instructions for use should always be observed.
