Safety Instructions:

- Risk of suffocation due to improper use of the clamping device.
- Risk of electric shock due to improper connection or use.
- Not suitable for children under 3 years of age.
- Ensure that the light is standing on a stable surface to prevent it from tipping over.
- Take care when handling electrical components to avoid electric shocks.
- The lamp may become hot during use. Do not touch the lamp with wet hands.
- The clamping device should be attached correctly to prevent the light from falling down.
- The light must not be used near water sources to avoid short circuits.
