Article Numbers: 232624, 232623, 231688, 231687, 231339, 231337, 231336, 231335, 231334

Safety Instructions:

- Maximum load capacity of the drawers: Do not exceed 25 kg.
- Use the central locking system to prevent unauthorised access.
- Make sure that the mobile pedestal is placed on a stable, level surface to prevent it from tipping over.
- Use the brakes on the castors to prevent them from rolling away.
- The mobile pedestal is not suitable for use by children.
- Be aware of the risk of crushing when closing the drawers.
- Avoid heavy, sharp objects in the drawers to prevent injuries.
- Avoid contact with water to prevent corrosion damage.
- Ensure that the mobile pedestal is stored in an upright position to prevent it from tipping over.
- Do not rely on the wheelie bin as a toy for children.
