Article Number: 171518

Safety Instructions:

- Only use the zip bag for unused disposable hygiene masks or washed reusable masks.
- Dispose of disposable hygiene masks immediately after use.
- The mouth-nose covers comply with the EN 14683:2019 Type I standard.
- Consider the hypoallergenic properties of the masks to avoid allergic reactions.
- The zip bag is made of EVA plastic, which is free from plasticisers and remains odourless.
