Safety Instructions:

- Ensure that the document shredder is not used by children, as there is a risk of suffocation from small parts.
- Avoid operating the document shredder without supervision.
- Switch off the appliance and unplug it before emptying the collection container.
- Do not touch the cutting shafts to avoid injury.
- Using the appliance for more than the maximum running time of 20 minutes can lead to overheating.
- Do not use the document shredder with damp or wet materials.
- Keep the appliance away from heat sources and direct sunlight.
